URBALION ADVISER
Mr. Smith

To the Subscribers of the Urbalion:

1951-52 has been an outstanding year in Urbana Local. It has been a year in which some noteworthy "firsts" have occurred.

This is the "first" yearbook ever attempted by this school. Urbana Local won the District Basketball Tournament for the "first" time. Urbana Local was the "first" Champaign County team ever to appear in the State Basketball tournament. This year marked the "first" time an Urbana Local team won a game in the District Baseball Tournament. There was also held the "first" Annual Spring Concert for the Music Department.

All these "firsts" were possible because of the industry, the co-operation, and the high standards set by teachers and pupils, together with the fine support of the parents. May we use the accomplishments of this year as a starting point for greater achievment and a better Urbana Local School.

Sincerely yours,
Kelsey Smith, Superintendent

The History of the Graduating Class of 1952

September 2, 1940, will long be remembered by 18 little children. It was the beginning of a new and different world for them. School! For twelve years we have spent 9 months out of every year in school. That time has passed. Let us now look back and see some of the things our class has accomplished.

There are six of us who spent all twelve years at Urbana Local. The big event of that first year was the toy band. Donnie Knight will never forget the rata-tat-tat of his little red drum nor Jerry Askew the clang of the cymbals. When she hears sleigh bells, Louise will remember her bells. Johnny will long remember sticking his hand through the tamberine. Cynthia kept time by raising and lowering her hand and counting 1,2,3. Gay will never forget knocking her tall white hat off while twirling her baton. Miss Schultz was our excellent teacher in the first grade.

Another vivid memory is of our second grade teacher, Mrs. Garver. In the 3rd grade we welcomed Nancy Derr and Joan Stinson. We will always hold in commemoration Mrs. Thatcher, our 3rd and 4th grade teacher. We were happy to add Ruth Payne, Helen Walters, and Kathleen Cooper in the 4th grade. Willi Dean Wells and Jerry Alexander, joining us in the 6th grade, injected some pep to the class. Mrs. Mapp will be remembered as a fine teacher during our 5th and 6th grade. The seventh grade was highlighted by the coming of Norman Martin. In the eighth grade we gained a boy whose brillance measures up to his height, Thomas Johnson.

History of Graduating Class Concluded

The traditional Freshman Initiation introduced us into High School. We welcomed Jim Willman to the 9th grade. Donnie Knight served as our Freshman president. After 28 years of teaching at this school, Mr. Kauffman left us. Ruth Payne was class president during our Sophomore year. We were very happy to have Donald Ropp and Donald Wright join our class that year. John Woodburn presided at our Junior Class meetings. With the seniors we sponsored the Fall Festival. We gave a play "Wanted, A Hero". In May we had a formal party for the Seniors at the Rustic Inn.

Jim Willman has served as Senior Class president. With the money we made from all the activities we sponsored we are planning a trip. We are going to Washington D. C. for 2 days and the New York vicinity for 4 days.

We feel that the greatest accomplishment we have made is the sponsoring of the Urbalion. It is the first yearbook that Urbana Local has ever published.

Our Senior play was "Who Wouldn't Be Crazy". We participated in the Senior Banquet, Junior-Senior Prom, Baccalaureate, and Commencement. As we look back over our memories, we bid a sad farewell to Urbana Local, with a bright outlook to the future, we are ready to accept the challenge which this new world brings to us.

Class Will

We, the Senior Class of 1952, being of sound mind and memory, do hereby make, publish, and declare this to be our last will and testament, hereby revoking any will or wills heretofore made by us.

Now that we are about to say farewell to Urbana Local, we are delighted to leave some individual bequests. The Juniors, having looked with greedy eyes on these chattels, should be very proud to achieve ownership. Thus --

Jim Willman gives Dale Woods his ability to go steady.

John Woodborn wills his skill in driving one-handed to Buddy Runyan; and to Bill Youngs, he wills his ability to get to school on time.

Jerry Alexander wills his punctuality in getting typing budgets in on time to David Whitmore.

Don Ropp gives Bill Burgel his formula for staying awake in English class.

Jerry Askew wills Jim Roosa his secret on how to get along with Love.

Donnie Knight wills his long list of admirers to Chuck Evilsizer.

Tom Johnson wills his little black book of girl's telephone numbers to Bill Burgel.

Norman Martin bequeaths Eddie Wingfield his uncanny knack in making the popcorn machine perform with consistent efficiency.

Don Wright wills the job of looking after Virginia to her cousin, Bill Evans.

Louise Koerner gives Janavee Maynard her man-catching recipes which make the boys take notice.

Nancy Derr wills Jane Glessner the method she uses to get past Mr. Wayne when he scolds.

Joan Stinson wills Vivian Barger her ability to keep the boys guessing; and to Sandra Love she gives the thrill of murmuring "Oh! Jim" in her sleep.

Kathleen Cooper gives Dorothy Straley the rope she used in getting a man from another school.

Gay Glessner wills Joyce McDaniels her 15 rules for "Winning Friends and Influencing People."

Cynthia Love wills Ruth Mapp the book of rules she used in keeping a certain boy in training; and to Mary Stallsmith she wills her Senior date book for Mary to fill.

Ruth Payne gives Leona Wingfield her high class honors; and to Jean Everhart she wills her accuracy in typing.

Helen Walters wishes to tell Virginia Alexander that once you get a ring on your finger, your man-catching days are over.

Willi Dean Wells bequeaths Norma Jean Wallace her ability to keep all her boy friends from showing up the same evening; and to Jean McCarty, she wills her skill -- not to giggle at the wrong time.

Dated this nineteenth day of February in the year of Our Lord, nineteen hundred fifty-two.

Donnie Knight

Donnie Knight, a five foot eleven inch guard, was our school's most valuable basketball player.

Donnie had a total of 326 points during the entire basketball season.

He was voted the outstanding basketball player in the county. After playing only one game in the State Tournament, Donnie was chosen to be on the All-Ohio Basketball Team.

Donnie's even-temperment, accurate and keen trend of thought will all tend to make him a successful citizen. Good luck, Donnie!
